Ligo
Create. Imagine. Play.

mikomax
smart office.

Ligo. As simple as that.

The Ligo system includes 8 different elements, by which in a few minutes you can built different series of furniture, depending on the changing needs of your office.

▶ See the Ligo animation

Auditorium

Build an ideal space for training or informal meetings.

Seats

Play with wide bench, upholstered poufs, independent or integrated seats. Light, mobile and ready for rearrangement.

Tables

Create small coffee tables and high tables, perfect for team work.
